FOREWORD

This yearbook, a record of our past experience, is the introduction to our Book of Life. Here we chronicle all the events, the personalities, the activities, and the circumstances which have shaped our lives in the pattern yet to be revealed in the Book of Life.

Books have been an integral part of our past experiences. Textbooks, references, anthologies, albums, scrapbooks, notebooks, directories, all the myriad of fact and fiction; our record would be incomplete without them. They stand as symbols of our lives during these four years.

Therefore we unify the experience of these four years in terms of books, a volume of past experiences made up of many chapters, the various facets of our high school career.

And now, as seniors, we close this book of our youth with regret, but with anticipation take up the book of our future. As we turn the pages of the new volume, we hope to increase in breadth of understanding and intelligence. While drawing on the book of the past, we shall be forever indebted to those who have helped us fill its pages with truth and experience.

"Another book has opened, which is the Book of Life."

MR. RAY W. SPEAR

We, the class of 1957, dedicate this year's Skipper to Mr. Ray W. Spear, our beloved principal, whose patience, understanding, and wisdom, will be missed upon his retirement this year.

"And everyone that was in distress, and everyone that was in debt, and everyone that was discontented, gathered themselves unto him, and he became a captain over them."

DEDICATION

Mr. Ray W. Spear, born on March 18, 1887, graduated from Brocton High School at the age of sixteen. He attended Fredonia Normal School for one year, and graduated from Syracuse University in 1910 where he was a member of Kappa Sigma.

At the start of World War I, he attended the Great Lakes Training Station, after which he served on the U.S.S. Flusser. In 1918 he became an ensign, and in 1920 he earned the rank of lieutenant j.g. Later in World War I, he was attached to the Bureau of Standards, Optics Department in Washington, D.C. under Nobel prize winner A. A. Michelson.

Before becoming our principal, he was the head of the Science Departments of Bennett High School and South Park High School. Between 1930 and 1941 he was the assistant principal of Riverside High School under Mr. Charles Whitney. In 1932 he earned his M.A. degree from the University of Buffalo. He left us in 1941 to become principal of Bennett High School. He taught in the Evening Session of Canisius College for one year and in a summer session at State Teacher's College for three years. He returned to us in 1941.

Mr. Spear has always been concerned with the personal as well as the intellectual development of the students at Riverside. The years of aid and advice given to us have helped us develop correct values and mature judgement. With these values we strive with Mr. Spear to build Riverside into the center of the community and its students into the good citizens of tomorrow. We hope to justify his pride in us by keeping always before us the ideals which he has upheld and worked toward.

Book of Knowledge

The acquisition of knowledge is closely related to experience. For, on the breadth and vitality of our knowledge, depends our ability to understand and evaluate experiences deeply and truly.

Our contact with the accumulation of knowledge has been through our teachers; to us, the personification of knowledge and the intermediaries of wisdom.

Our teachers, then, each adding his knowledge to our cumulative experience as each chapter adds its particular details to the total meaning of a book, have been, for us, a Book of Knowledge.

25 YEARS OF SERVICE

Mr. Huffcut

Mr. Henry J. Huffcut's ties with Riverside are very close. He and his wife are pioneer residents in this area, and both have been active in its civic life. Three of his children are graduates of Riverside.

For the past twenty-five years Mr. Huffcut has been in charge of attendance at Riverside High School, and with Mr. Robert McGowan has set in the last four years a record for attendance. His geniality and faithfulness in the performance of his duties have endeared him to the faculty and student body of Riverside High School.

ADIEU AND

We are greatly indebted to our assistant principal, Mr. Robert C. McGowan. His friendly disposition and kindly humor tempered even those moments when sterness and severity were required. With inexhaustible energy, he had the faculty of being everywhere at once, and bringing calm and order out of chaos and disorder. Mr. McGowan has left us to become an assistant principal of East High School, but we hope at some time in the future, he will return to Riverside.

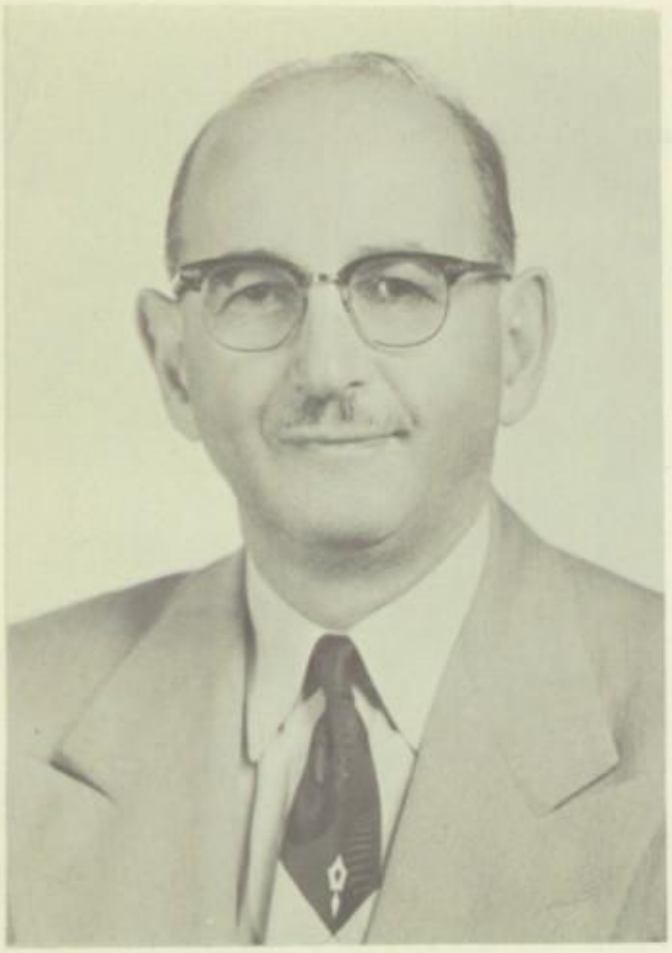
Mr. Robert C. McGowan

"He coaxes with hoaxes
and good Irish Blarney."

"His hearts like a shamrock,
It sings a gay song."

"He gave them as monitors all of their duties."

BEST WISHES



Mr. Louis T. Masson

Mr. Lewis T. Masson has been promoted to Assistant Principal of Kensington High School. For two generations of students, his name comes spontaneously to mind when the name of Riverside occurs. For Mr. Masson formed the science department and has been with the school through all its 27 years of existence. The impress of his personality, however, is felt most deeply in the minds of those students who have profited by his competent teaching and sagacious wit.

In Memoriam

MISS THOMAS

For twenty-five years Miss Marion Thomas taught business and secretarial subjects at Riverside. Under her guidance the Office Practice course was introduced.

A token of her continuing loyalty to the school and her concern for its students was the bequest of a sum of money, to provide awards for outstanding Commercial students.

Those who knew Miss Thomas will remember her for her quiet charm, the warmth of her friendship, her sympathetic concern for others, and her patient and courageous spirit.

Miss Helen Remington taught for many years in the Buffalo School System. In the short time she was at Riverside, however, she endeared herself to teachers and students alike. To her knowledge of her subject, she brought an artistic touch which enriched her teaching. But more than this, her influence upon her students stemmed from a deep interest in them as individuals.

In spite of being handicapped by poor health she gave of herself to such a degree that she was an inspiration to all who knew her.

MISS REMINGTON

Honors Classes

With the opening of school last September came an especially important addition to the curriculums in all city high schools. Recognizing that the intellectually gifted high school student can and should follow a program which is of a more substantial and enriched fibre than that which is ordinarily pursued by most high school students, Honors Classes were formed. Through the introduction of an Honors Program many stimulating and challenging courses are now available for students of outstanding ability. At Riverside Honors Classes were established in English, History, and Mathematics.

"Who's Who"

Here are the important people in our student lives, not only important as leaders in our student community but also as friends with whom we have worked and lived. Through them we have had the priceless, the necessary, experience of unity with others -- the sense of community. What is so vivid to us now will be recalled when we turn again these pages which record the roles played by each senior during our four years together. This chapter, then, is the "Who's Who" of friendship and of achievement.

JoAnn Szalay

Greetings to the Seniors

In my book of golden memories, my association with you at Riverside will always be a bright page. This 1957 Yearbook has as its theme the appropriate subject of books.

"Books are keys to wisdom's treasure;
Books are gates to land of pleasures;
Books are paths that upward lead;
Books are friends. Come, let us read."
(Inscription in Reading Room, New England Library.)

Your textbooks have furnished you with materials of knowledge, but your teachers have helped you to realize that thinking about what you have read makes it yours.

"Reading makes a full man – meditation a profound man – discourse a clear man." *(Franklin – Poor Richard's Almanac.)*

Although some of your required books may not appeal to you now, you will return to them and appreciate them as you grow older. One object of seeking an education is not to acquire all knowledge but to know the books where information may be found. The great joy that I have found in teaching has been the opportunity to interpret the wisdom found in books to young people.

"The Bible is a book of faith, and a book of doctrine, and a book of morals, and a book of religion, of special revelation from God, but it is also a book which teaches man his own individual responsibility, his own dignity, and his equality with his fellow man." *(Webster – Bunker Hill Address.)*

The faculty and I bid you Godspeed in going and may your future be crowned with happiness and success.

"With doubt and dismay you are smitten,
You think there's no chance for you, son?
Why the best books haven't been written,
The best race hasn't been run."
(Berton Braley)

Hail and Farewell

In this, the solemn hour so long desired,
Arrived so quickly in four fleeting years,
Let's not lament the time that has expired
But fill our cup brimful with hope, not tears.

With hopefulness abiding we shall bring
Report of honor back to Riverside
And thus repay in part, for everything
Our teachers taught with patience not denied.

With steadfast fondness we shall think of them,
Our everlasting friendships, rich in heart,
And cherish them beyond the brightest gem
As we make preparations to depart.

Then fondly, fondly do we say to you,
Our school, our teachers and our friends -- adieu.

Class Song

(Music of Cornell Alma Mater)

From this school we are departing,
Tears begin to fall,
As we see a crowd before us,
We raise up our call.

May we be forever faithful
To our family,
And to you, our Alma Mater,
As we hail thee.

May we always, never ceasing,
Loyal be and true,
As we leave your treasured portals,
Riverside, hail to you!

CLASSES

"Register"

The Register presents the underclassmen of Riverside. Some of these underclassmen we know well; others are to us only the faces seen in classes, in the halls, in the cafeteria, and in assembly. But, as such, they form an essential part of the atmosphere of Riverside. Although we may be only acquaintances, as fellow citizens of the community of Riverside we feel united by a background of common interests and loyalties. These pictures will be a memento of this atmosphere and these loyalties.

CLASS of 1958

To be a junior is indeed wonderful! We are now upper classmen, conscious of new rights and new obligations.

This year the junior class sponsored the Holly Hop on December 21st, which proved to be a tremendous success.

Many of the talented members of our class participated in the school's annual revue, "Happy Times." Our class was also represented on the honor roll and in various types of athletics.

Everyone is looking forward to Junior Day and the Junior Prom. This will culminate our junior activities and studies.

CLASS of 1959

Our new status as sophomores involves added responsibilities and privileges. The first responsibility we undertook was the sponsoring of the Annual Welcoming Party for incoming freshmen. With the assurance of one completed year behind us, we initiated and organized many group functions, including "The Saturnians" and the "Chess Club."

CLASS of 1960

The Freshman class is composed of many outstanding students, some of whom were officers in their graduating class, and others who were winners of the Jesse Ketchum Award, or of the American Legion Citizenship Award. This year some freshmen have displayed their talents in the production, "Happy Times". With its variety of talent we are sure the freshman class will in its turn adequately fill the places of upper classmen.

RIVERSIDE HIGH SCHOOL

HAPPY TIMES
ADMISSION 75¢
Thurs. & Fri. Feb. 28, 29, 1957

"Watch the magic doll!"

Janice and Diane sing.

Miss Huegel directs.

"Cause my mother makes me"

"A saucer of tea?"

"The Lettermen"

ACTIVITIES

"Almanac"

The activities program at Riverside broadens our interest and enables us to spend our leisure time profitably. The several organizations awaken in us new interests, and help to develop our individual talents and abilities. In addition, they provide an opportunity to meet and work with other people of similar and dissimilar interests. This chapter, then, is the almanac of Riverside, the facts and figures on the service and social organizations in Riverside.

Gloria Palonai

Gold Pin Scholar

Row 1 – J. Sendziak, S. Swalm, M. Ball, M. Armitage, M. Nalezenc.
Row 2 – L. Poerschke, M. J. Alder, C. Cameron, P. Micciche.

For the past four years these students have maintained a 90% or above average. The mark of recognition for their splendid work is a gold pin. From them, Millicent Ball and Sally Swalm, as those who attained the highest average for the four years, have been chosen Valedictorian and Salutatorian, respectively.

Debate

Row 1 – M. Barr, S. Swalm, C. Cameron, S. Mallast, Mr. Blomberg.
Row 2 – J. Passage, M. Gidos, J. Marvin, M. Falsone.

Each year the public high schools throughout the city compete for the championship cup in Debate. This year our teams were coached by Mr. William Blomberg. On the subject, "Resolved: That the federal government subsidize scholarships for qualified students," our teams were ably represented by the following:

The Saturnians

"The Saturnians," an organization completing its first year at Riverside, and functioning under the aegis of Miss Eleanor Siegesmund, faculty adviser, was formed by the Riverside Latin students. Modeling our organization on that of the Roman Republic and observing the holidays of the Roman calendar, we gain a more vivid insight into classical civilication. The high spots of the year were a mock gladiatorial combat, which commemorated the death of Caesar on the Ides of March.

To accomplish this, the programs throughout the year take various forms. The Christmas party featured one of our students, Helmut Krueger, recently of Germany. They have participated in the newly formed Interschool Junior Council of World Affairs, and this year, will represent Liberia in the Model United Nations General Assembly. Our representatives to the Interschool Junior Council of World Affairs were Donna Stewart, Sharon Fenlon, Patricia Vence, and Frances Molnar.

The music department at Riverside is a varied one, providing an opportunity for any latent musical talent among the students to express itself. These students, realizing that music is an integral part of their education, have devoted much of their time to perfecting their natural capacity for music.

Our band, under the excellent direction of Mr. Harold Hull, remains one of the best in the city. It adds a rousing note to all our assemblies, open house, and important football games. The annual concert in June gives its members an opportunity to demonstrate their great musical skill.

We congratulate the band, orchestra, and choruses, with their directors, for making Riverside's music department one of the best.

SKIPPER STAFF

The ***Skipper,*** published by the Senior Class, is the only student publication at Riverside. The theme for this year's ***Skipper,*** "Books", chosen by the executive staff of the yearbook from the suggestions received from various members of the Senior Class, was submitted by our able Editor-in-Chief.

Laboring both during school hours, and long after classes were over, the industrious members of the yearbook staff tried to make this book truly representative of the spirit of RHS.

The book is the result of the efforts not only of the staff but also of the entire school and the community. The Skipper staff hopes that this book will reward and justify the generous support it has received from our students, our faculty and our business advertisers.

SMALL

Under the direction of Mr. Arthur Downes, the Boys' Small Council was active, as always, this year in working for the good of the students and the school.

The Council set up a new system of hall monitors, headed by Arthur Wyckoff for the boys' side of the building. Louis Hancherick and Jim Smith saw that the flags were paraded at every assembly. Jack Picone and Dennis Glynn represented us on the Riverside High School and Community Association, and Michael Gidos on the Inter-High School Student Council.

COUNCILS

It is the purpose of the Girls' Small Council to organize and supervise, together with the Boys' Small Council, all those activities which fall within the sphere of student government.

Each year we provide monitors for the girls' side of the building, all the receptionists and a different Senior girl to lead the prayer for each assembly.

This year we gave a Farewell Dinner for Mr. McGowan and a Valentine's Party for the Large Council.

In all these activities, we have been aided immeasurably by the direction and assistance of Miss Arlene Snell.

Porthole

Three happy fellows

M. Porloalski, Miss Engel, R. Davies, M. Best, M. Erdi, P. Gajis, D. Hang, B. Radgenski, E. Yadlowski, N. Kessler.

The Porthole was initiated at the request of Mr. Spear to give shopping convenience to Riverside faculty and students. It was started on a modest scale without capital or fixtures. Today you can buy anything from a pencil to a dinner plate in the store.

Enthusiasm for display work in the store overflowed into decorating of halls, offices, and elevator. When the work became too time-consuming, it was eagerly taken over by a newly organized Display Crew. The results of their persistent efforts make the halls more gay and cheerful and keep us in touch with the seasons.

RIVERSIDE Y CLUBS

These are the five Y clubs at Riverside. Their purposes are similar in that each club strives to uphold high standards of conduct in their members' own lives and to extend this influence to conditions around them. These high ideals are achieved by the clubs by incorporating both social and service activities in their programs.

This year they have collected for various charity drives and given donations to needy organizations and families. The boys and girls serve at dinners at the school and at the Y.M.C.A. Both Hi-Y's entertained at the Veterans' Hospital, and the Girls' Hi-Y and Hi-Y-Ettes sang Christmas carols at the Roswell Park Center.

As social activities, these clubs have sponsored bus rides, skating parties, dances, and joint meetings. At other meetings discussions, speakers, and movies provided educational entertainment. The Boys' Hi-Y again featured two leading jazz groups in a concert for the benefit of the school.

SPORTS

"Olympiad"

The sports activities of Riverside are an asset to it. It can truly be termed a "sports minded school," with participants in everything from tennis to bowling. We gain a sense of fair play and muscular co-ordination through these activities, assets which will be helpful to us in the future. The Olympiad recalls the lessons we have learned in teamwork and good sportsmanship, lessons we shall try to apply as standards in the game of life.

Football

This year Riverside's football team came under the helm of two new coaches. The new head coach was Mr. Turner, our former assistant; his new assistant was Mr. McPartland, both alumni of R.H.S. Mr. Turner and Mr. McPartland had the difficult task of rebuilding, after our fine team of the year before had graduated almost in a body. The team, although "green" and inexperienced, showed themselves admirably, a credit to their coaches and their school.

Riverside lost a "heartbreaker" to Emerson in the opening game 7–6. The following week R.H.S. was crushed by a very good South Park team 27–7. Our third game was the night game at Civic Stadium for the P.A.L. benefit. Riverside came in on the wrong end of an 18–6 score. Finally the Frontiers broke into the win column with a 12–6 victory over Lafayette. Ron Fisher scored both touchdowns for us. In the last two games Riverside gave two of the top teams in our league real battles only to lose to Grover 19–0 and to McKinley 6–0.

Riverside players who received recognition from the Buffalo papers for their fine play were: Norm Kranz, Bob Gesl, Ron Fisher and Gene Adams. With a good part of the team returning next year, we are hoping to win the Harvard Cup for Riverside.

Let's go Norm !

Basketball

Up Goes Holland!

Riverside's basketball team turned out to be a surprise to its followers. The team lacking in outstanding height and experience finished the season with 6 wins against 5 losses.

Riverside was soundly whipped in its first two games but settled down to be a trouble maker for the top teams in the league. The R.H.S. cagers scored two of the biggest upsets of the year by defeating Kensington 70–61 and in the same week knocking off undefeated Seneca 54–45. This season was filled with many close, spine tingling games. The Frontiers lost to Grover by 2 points and to Tech by 1. They beat Lafayette 49–48 and Burgard 61–58 in an overtime thriller.

Riverside players honored by the Buffalo papers for their outstanding play were: Bill Holland, Ron Fredricks and Mike Gidos, all seniors.

East	49–67	Technical	51–52
Bennett	65–83	Lafayette	49–48
South Park	79–59	McKinley	56–41
Grover Cleveland	50–52	Emerson	45–67
Kensington	70–61	Burgard	61–58
Seneca	54–45		

Front – C. Johnson, A. Wyckoff.
Back – G. Schactzer, P. Meyges, G. Collins, J. Kustich, S. Bogdan, M. Gidos, N. Kranz, R. Frederick, B. Gesel, W. Holland, J. Fortana, R. Young, Mr. Moody, Coach.

Cross Country

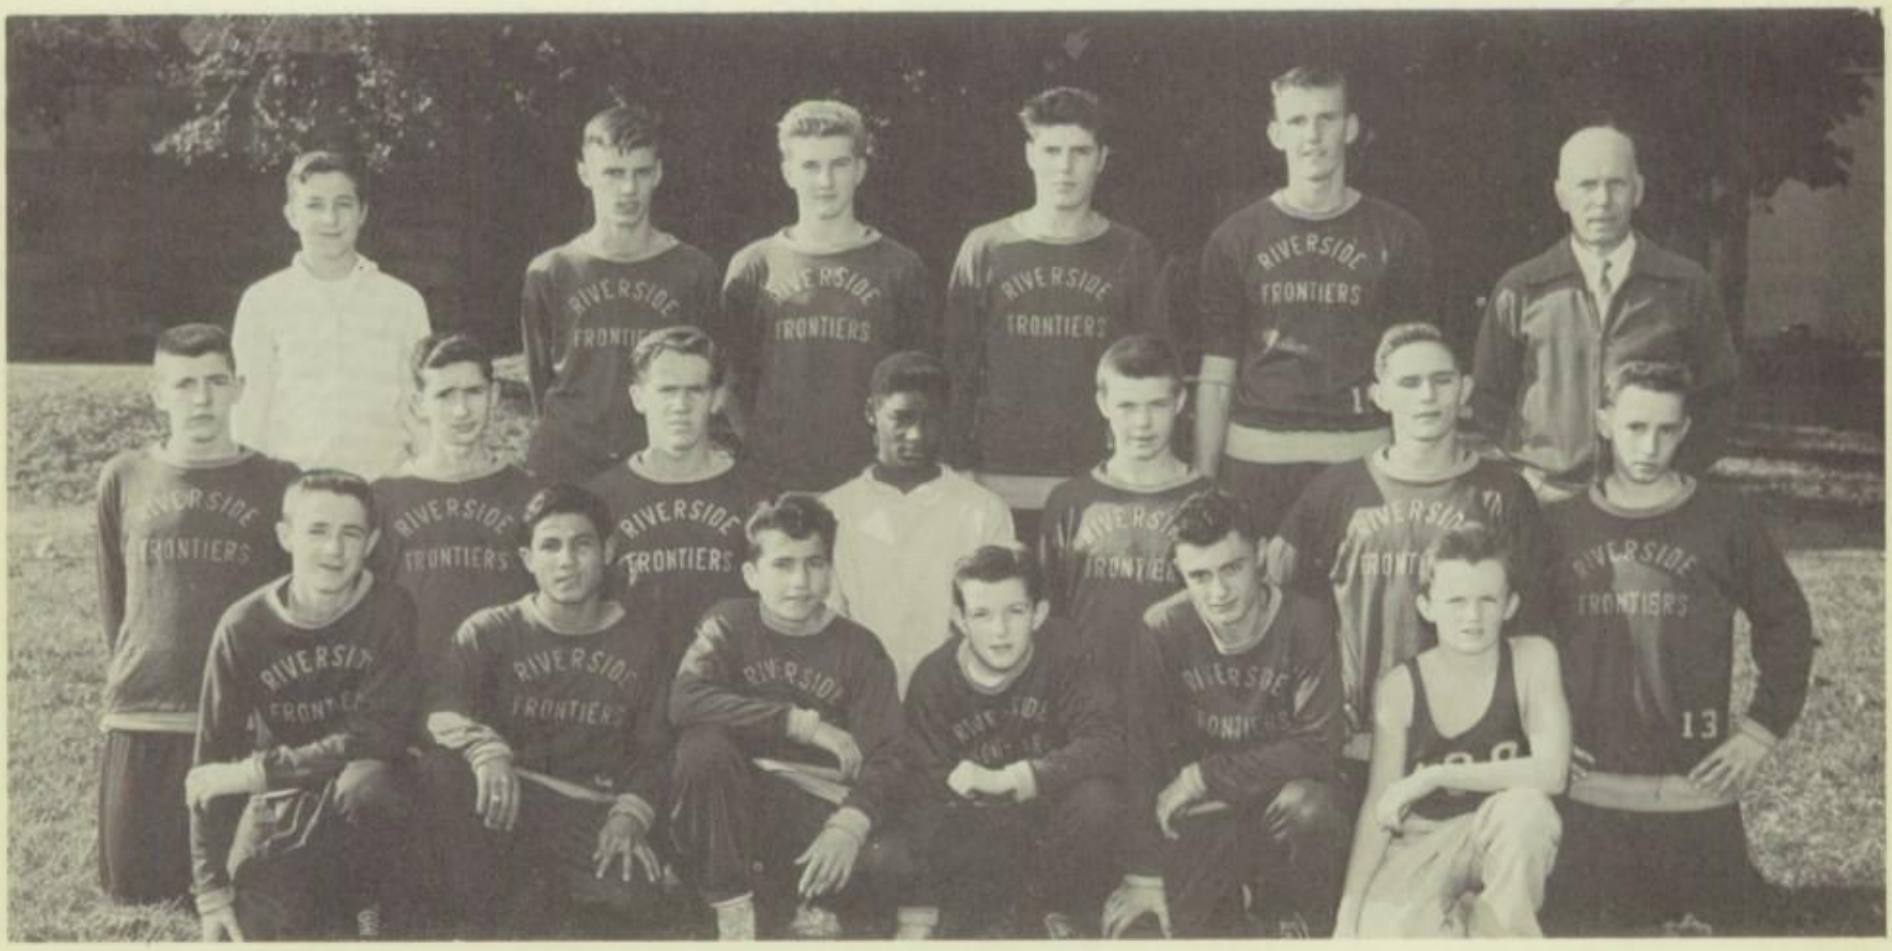
This year the cross country team, under the excellent coaching of Mr. Moody, brought to Riverside the third Columbia Cup in the school's history. For the boys who work very hard at this grueling and little honored sport, it was a great victory. The highly spirited team, was led undefeated to victory by Sophomore Al Szalay, who won for himself All High honors. In the annual All High run over the 2.9 mile Delaware Park course, Riverside totaled 70 points to defeat all other schools and secure the Cup.

The boys who brought Riverside this championship in the All High Race were:

AL SZALAY	3rd
JIM RALSTON	12th
LARRY OLEWINE	16th
BOB MC CREADIE	19th
MIKE GIDOS	20th

With the loss of only one squad member and under the expert tutelage of Mr. Moody, hopes are high that next year the Columbia Cup will again come to rest in the trophy case at Riverside.

"We have won the race; the Cup is ours."



Row 1 – J. Hall, J. Jimenez, J. Ralston, J. Britt, M. Gidos, G. Anderson.
Row 2 – B. McKnight, R. McCreadie, J. Maccumber, E. Loynes, G. Erion, L. Olewine, A. Szalay.
Row 3 – R. Passage, K. Skolyan, R. Smith, R. Underwood, K. Kramer, Mr. R. Moody, Coach.

Row 1 – W. Waterrose, M. Farenech, R. Klusek, R. Williams, G. Anderson, B. House, H, Krueger, E. Kelly, C. Pinkow, T. Brown, H. Moore.

Row 2 – Mr. Downes, Coach; D. Reid, J. McCumber, D. Winnie, A. Isler, E. Reiman, F. Zahm, K. Kramer, R. Underwood, C. Ward, J. Marvin, R. Lance.

Swimming

Riverside's young swimming team came through a rough season defeated, but unconquered. This year under the coaching of Arthur Downes the team, composed almost entirely of lower classmen, gave Riverside rooters two fine victories and many thrilling races.

Sophomore Ken Kramer won many races in the breastroke and scored our only point in the All High Race. Clelland Ward, John Marvin, Dave Winnie, and Ron Klusek did a grand job, while a young freshman, Howie Moore, made quite a name for himself.

With the team almost in its entirety returning next year, and with a year of experience behind it, we hope for a Syracuse cup at R.H.S.

Row 1 – C. Johnson, G. Schaetzer, G. Collins, P. Mayges, N. Kranz, A. Wyckoff, M. Gidos, J. Rool, J. Lang.
Row 2 – Mr. Turner, Coach; R. Fisher, A. Tushes, R. Banas, G. Fremont, B. Gesl, D. Shaffer, S. Rool, J. Rishmeyer, J. Carlson, R. Panzica.

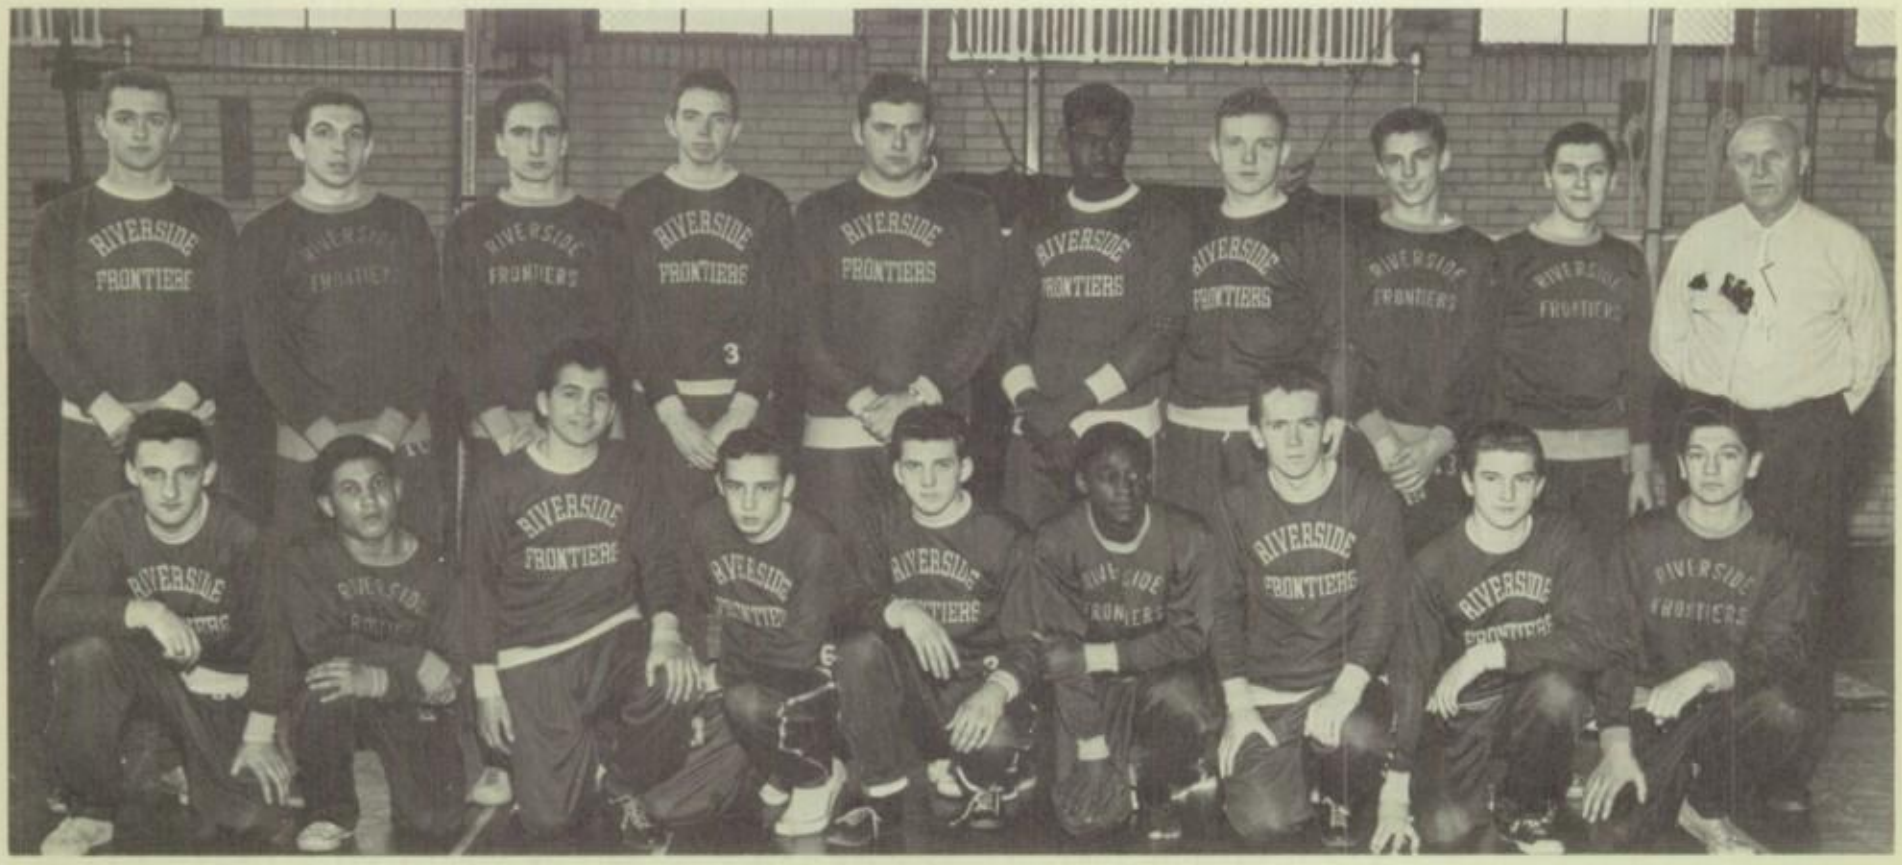
Baseball

The baseball team this year came under a new head coach. Replacing Mr. Austin was Mr. Turner, football coach and member of the faculty. The team had a healthy lot of returning veterans who saw plenty of action, among them: Craig Johnson, Paul Meyges, Art Wyckoff and Stan Rook.

To Mr. Turner we wish the best of luck with Riverside's diamond aspirants in the future.

A Little Instruction

Track



Row 1 – W. Murphy, J. Jimenez, J. Ralston, A. Szalay, A. Kowalewski, E. Loynes, J. Macumber, R. Smith, R. Himbury.
Row 2 – T. Ellis, M. Jaworski, G. Walton, R. Porter, Capt. G. Adams, D. Staley, A. Leggett, K. Skolyan, J. Alessi, Mr. Heck, Coach.

This year's track team suffered the loss of many members due to graduation. The young team under the able coaching of Mr. Heck did a wonderful job on the cinder paths. Among the boys to lead the team were: G. Adams, A. Szalay, A. Kowalewski and J. Ralston.

Tennis

Row 1 – M. Ekiss, J. Rocchio, J. Balogh, G. Anderson, R. Passage, E. Salhoff, R. Hensod, H. Ensminger.
Row 2 – R. H. Moody, Coach; M. Farinech, R. Avanyosi, D. Kutzbach, R. Hanouv, M. Lalock, D. Moffett, J. Watz, J. Rupp.

Under the coaching of Mr. Moody the tennis team did very well this season. Although they suffered the loss of many fine players from last year's team they were a credit to their school and their coach.

Full of Vim and Vigor.

Morale Boosters

One of the most difficult tasks at Riverside High School was to pick the cheerleaders of 1957 from the more than 50 students who tried out. Those who were chosen have enlivened not only the games played at home, but also those played at other schools. We tip our hats to the cheerleaders who through their enthusiasm, hard work, and pep have greatly boosted the morale of the team and awakened an answering enthusiasm in the cheers of the students at assembly.

Row 2 – S. Hardy, G. Koziol, P. Palmeri.

Baton Twirlers

The Twirl of Batons

For the first time in the history of the school we have a group of baton twirlers. They are under the student supervision of Arlene Regalla and our physical education instructor, Mrs. Louise Collins.

During the half time of our games these girls go through their routines which add color and excitement to the festivities. The skill and precision of their performance plays a large part in boosting the morale and arousing the enthusiasm of the whole school.

GIRLS' SPORTS

A gold pin is the honor bestowed upon senior girls, who have earned 500 points by participating in after-school sports throughout their four years.

Four inch and six inch letters are awarded to freshmen, sophomores, and juniors, respectively at the Girls' Athletic Assembly in May.

Badminton, basketball, bowling, volleyball, swimming, ping pong, softball, tennis, and golf are among the sports in which the girls participate.

However, the values of participation in this program are far greater than merely receiving an award. New friends are made. Character is developed, and the girls have an opportunity to practice the skills learned in physical education classes. They also have the opportunity to visit other schools and colleges for play days.

This year bowling was by far the most popular sport with over 300 members. Next year the aim is to have 300 girls or more in every sport.
